Form 990:

Part IV, Section B, Line 11b: For their review, the full Board received copies of Form 990 and all related schedules prior to filing with the IRS. The Board discussed the 990 filing with the President in a Board meeting following the filing.

Part VI, Section B, Line 15b: The President receives no compensation, therefore a review is not necessary.

Part VI, Section B, Line 12c: The Board and employees are required to review the conflict of interest policy annually and report that they are in compliance with the policy.

Part VI, Section C, Line 19: The public may view the organizations governing documents, conflict of interest policy and financial statements at its office at 8701 N Mopac Expy., #105, Austin, TX 78759. In addition, the public may contact Water to Thrive by phone at 512-206-4495 or by email at team@watertothrive.org to request copies. The 990 and audited financials may be downloaded from the website.

Part XII, Line 2c: The independent Board members acting as the full Board reviewed and selected the auditor. Also, acting as the full Board, the independent directors met with the auditors without management present after the audit was completed to review the results of the audit.

Part VI, Section B, Line 15a and 15b: The full Board acts as the Compensation Committee. In determining the Executive Director's salary, the committee researches and reviews compensation information for similar sized not-for-profit organizations in Texas doing international development work. The committee must also approve wage recommendations for all employees. All deliberations and discussion of compensation for the Executive Director and all employees by the full Board are recorded in the minutes of those meetings in which the deliberations and discussions occurred.

Part V, Line 7a: In the case of the Chefs Table fundraising event, the major donation element is the chefs dinner auction in which donors bid on a dinner prepared and facilitated by the participating chefs. Because of variables between menus, the number of guests and required chef support staff, it is difficult at best for Water to Thrive to identify, and therefore notify, the donor of the value of goods and services provided. Water to Thrive depends on the participating chefs to calculate the value of the dinner and provide that information to the donor once the details of the donor's dinner has been established.

Part XI, Line 9: To adjust for rounding.
